Forecast for Monday 24 Oct 2022

Weather: Overcast with mist, fog and patchy rain clearing slowly from the south, mostly dry conditions with bright spells follow though some passing showers are possible. Easterly winds ease from morning but southwesterly winds freshen from late afternoon.

Chance of cloud-free hill tops above 800m: 10% in the early morning rising to 50% during the afternoon.

Low cloud and visibility: Extensive cloud with bases 400 to 700 m lift to around 700 to 900 m and break by mid-morning. Early very poor visibility in cloud, rain and fog improves to good from morning as cloud lifts and breaks.
